## **MEMORANDUM**

**TO:** Solano HCP Steering Committee

**FROM:** Chris Lee, Supervising Environmental Scientist

**DATE:** August 13, 2009

**SUBJECT:** Review of the Final Administrative Draft of the Solano HCP

---

---

SCWA is cancelling the August 20<sup>th</sup> Steering Committee meeting.

To date, we have not received any comments from the Steering Committee on the Final Administrative Draft of the HCP which was sent out in June. At our last Steering Committee meeting we discussed the changes between the current draft and the last draft. The next logical time to meet would be to go over comments on the current draft HCP.

We have not received any formal comments from the regulatory agencies at this time either.

SCWA hopes that one more month will be sufficient to elicit comments from the Steering Committee. SCWA values input from the Steering Committee and looks forward in advancing toward a Public Draft HCP.

Please call me at 707-455-1105 or email me at [clee@scwa2.com](mailto:clee@scwa2.com) with questions or comments so we can gauge the need to meet in September.
