

High Efficiency Clothes Washer Rebate Terms and Conditions

Who Qualifies?

- Solano County Water Agency residential customers receiving city water service (California Water Service customers within the City of Dixon do not qualify for this rebate). Renters or tenants must have written approval from the property owner.

Timelines

- Program applies to Clothes Washers purchased from **July 1, 2023, through June 30, 2024**. Products purchased prior to July 1, 2023, may qualify for this rebate program – contact Solano County Water Agency at solanocash4grass@scwa2.com
- Rebates are available for purchasing qualified washers until June 30, 2024, or until funds are depleted, whichever comes first.
- All rebate applications must be postmarked no later than 180 days (about 4 months) after the purchase date.
- The qualifying clothes washer must remain at the installation site for a minimum of twelve (12) months after installation date.

Clothes Washer (qualifying for rebates)

- Only **ENERGY STAR® Most Efficient 2022** are eligible for the rebate *No rebates are offered on clothes washers that contain silver ion technology.*
- The list of eligible clothes washers and washer rebate values are subject to change.
- Qualifying units must have an Integrated Water Factor (IWF) of 3.5 or less.
- To search for qualified clothes washing machines, please visit the link [here](#) ([ENERGY STAR Certified Residential Clothes Washers | EPA ENERGY STAR](#))

Rebates

- Rebates may be subject to on-site compliance inspection verification by the Solano County Water Agency.
- Clothes washer installation cost and new construction are not rebated.
- Level of incentive is **\$100** per qualifying unit. Rebate cannot exceed the purchase price of the new unit.
- There is a limit of one clothes washer per household per five (5) year period.

Application and Rebate Approval or Denial

- You must provide a copy of receipt or other proof of purchase for the Clothes Washer. Receipt/proof of purchase must list purchase price, manufacturer, model number, and purchase date.
- Incomplete and unsigned applications will not be processed.
- Customers must fulfill all program guidelines to be eligible for incentives.
- To apply, visit <https://www.scwa2.com/water-efficiency/rebates-programs/residential-rebates/>
 - Click on the link that says ‘Solano High Efficiency Washer Rebate’ to be prompted to the digital application.

- You can also complete a paper application and email it to solanocash4grass@scwa2.com or mail it to:

Solano County Rebate Program
810 Vaca Valley Parkway, Suite 2023
Vacaville, CA, 95688

Other Considerations

- Qualified washer must be installed in the Solano County Water Agency Service Area and must remain at the installation site for a minimum of twelve (12) months after installation date.
- The rebate program is not responsible for materials lost by mail.
- Submission or possession of a rebate application does not guarantee receipt of a rebate.
- Rebates are processed on a first come, first serve basis, and will end when program funds are depleted.
- Rebates are available for purchasing and installing qualified washers until June 30, 2024, or until funds are depleted, whichever occurs first.
- This program shall at all times be subject to change or termination without prior notice.
- Clothes washers that are resale units, leased, rebuilt, rented, received from warranty or insurance claims, exchanged, won as a prize or have had new parts installed in an existing unit, do not qualify for a rebate.
