2 DETAILED SUMMARY OF THE MATTER THAT PLAINTIFF SEEKS TO
3 VALIDATE:

4 The United States Bureau of Reclamation ("United States") constructed the Solano Project
5 ("Solano Project" or "Project") for flood control and for the storage, diversion, carriage,
6 distribution, and beneficial use of water of Putah Creek for the purpose of agricultural, municipal,
7 industrial, and domestic consumption, and other purposes. The United States provides for the
8 delivery of water from the Solano Project to the Agency pursuant to Contract No. 14-06-200-
9 4090R (*Contract Between the United States and Solano County Water Agency Providing for*
10 *Water Service* hereinafter "Master Contract"). Article 2 of the Master Contract provides that it
11 shall be renewed upon request by the Agency, pursuant to the Acts of July 2, 1956 (70 Stat. 483),
12 and June 21, 1963 (77 Stat. 68).

13 The Agency timely initiated the renewal process, and negotiated a final form of renewal of
14 the Master Contract with the United States, in the form of the Renewal Agreement. The Renewal
15 Agreement involves no increase in existing water service or contractual water allocations; no new
16 construction, expansion, or any modification to the existing distribution system of the Agency or
17 the Solano Project; nor any change in the source of water to be delivered, the area of its use, the
18 ownership of the water rights, or the uses to which such supplies will be put.

19 On February 8, 2024, at a duly noticed and regular meeting of the Agency's Board of
20 Directors, the Board of Directors adopted authorized the execution and delivery of the Renewal
21 Agreement as set forth in Resolution No. 2024-02 (the "Resolution"). Prior to this meeting and in
22 accord with the provisions of the Ralph M. Brown Act, Government Code section 54950 et seq.,
23 the Agency timely posted and distributed a written agenda for this meeting describing the Board of
24 Directors' intent to consider the adoption of the Resolution, and providing interested parties with
25 the opportunity to review and comment upon the Resolution and Renewal Agreement.

26 Through the Board's adoption of the Resolution, the Board authorized the approval,
27 execution, and delivery of the Renewal Agreement and authorized additional actions in
28 furtherance thereof. On February 8, 2024, the Agency executed the Renewal Agreement. The
